

Inspiring the leisure workforce

This year's SkillsActive Scotland Conference is for all those dedicated to, and involved in, shaping the skills for the Scottish workforce across sport, fitness and the outdoors.

The day will be your opportunity to not only share with others good practice, but also gain an insight from the industry on management, leadership, people management tools – like Investors in People, and how to recruit more successfully!

The agenda has been specifically designed to help you and your organisation develop new ways for inspiring your workforce – book your place now to take full advantage of this crucial agenda!
